**Police Investigate Stabbing Death of Male in Barrio Logan**

**San Diego** – On Thursday, August 24, 2023, at 10:32 p.m., the San Diego Police Communications Center received a call reporting a male had been stabbed at the trolley stop in the Barrio Logan Neighborhood of San Diego. Officers from Central Division and paramedics from San Diego Fire-Rescue were dispatched and arrived within minutes of the original call. Upon arriving, they found a male suffering from at least one stab wound to his chest. Paramedics transported the male to a local hospital but despite the best attempts of medical personnel, the male died at the hospital a short time later.

San Diego Police Homicide Detectives were called to the scene and are currently investigating the incident. It is still early in the investigation and little is known about the circumstances leading up to the male's death. However, detectives have learned the victim got involved in a brief verbal argument with a small group of males and females in the moments before a fight broke out. During this altercation, the victim was stabbed at least one time in the chest and the suspect group fled the area.

Homicide Detectives are currently processing the scene for physical evidence, attempting to locate surveillance video and attempting to locate any witnesses to this incident.

The victim has been identified but his name is being withheld pending family notifications. He is described as a 70-year-old Black male.

Anyone with information regarding this incident is encouraged to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
